Welcome to **Bellevue Youth Choirs' "Mosaic of Song."** After six seasons, BYC has collected an extensive choral library and we are re-visiting pieces that are staff, chorister and audience favorites. We are excited to share a beautiful and colorful montage of music from all around the world including songs from Britain, Puerto Rico, Wales, Ireland, American folk music, Romani dance, Indian film, and modern choral compositions. Thank you for joining us for our second formal performance of the 2018-2019 season!
